

## **Bullion Management Group Donates to Canadian Red Cross Relief in Fort McMurray, Alberta**

**Markham, ON, May 30, 2016** –Bullion Management Group Inc. (BMG) has made a charitable donation to the Canadian Red Cross in support of their ongoing response to the wildfires in Fort McMurray, Alberta.

“Our thoughts go out to our colleagues and all those who have been affected by the devastating Alberta wildfires that continue to wreak havoc,” said Nick Barisheff, founder and president of BMG. “We’re touched by how many families have lost their homes, and we wish them a speedy return to a state of normalcy after this tragedy.”

A mandatory evacuation has forced all 70,000 Fort McMurray residents to leave their homes in search of safety – the largest fire-related evacuation in the province’s history. The Canadian Red Cross has intervened and is on the ground providing assistance to those in need.

At BMG, our aim is to help our fellow Canadians who have been gravely affected by this disaster and we encourage our advisors, clients and subscribers to contribute directly to the [Canadian Red Cross Alberta Fires Appeal](#) .
