

BMG Group Inc. Announces Shariah-Compliant Funds

-- Funds Provide Interest-Free Option --

MARKHAM, October 30, 2018– BMG Group Inc. (“BMG”) is pleased to announce that the Islamic Finance Advisory Board has endorsed BMG BullionFund, BMG Gold BullionFund and BMG Silver BullionFund (collectively, “BMG Funds”), as Shariah compliant.

BMG Funds, which invest only in precious metals bullion, are considered interest-free investments, making them a viable option for investors looking for Shariah-compliant investment vehicles.

The Islamic Finance Advisory Board endorsement comes after a thorough review of the prospectuses of the BMG Funds. BMG Funds hold only pure bullion and do not employ any leveraging, lending or hedging strategies, nor do they make any derivative or foreign-exchange plays. BMG Funds join a select group of Shariah-compliant investments available in Canada.

*“The *criteria for BMG Funds have always been that every portfolio should include unencumbered, fully allocated and insured physical bullion. With BMG Funds, there are no counterparty risks, no dependency on trading strategies, no derivatives or hedges of any kind,” said Nick Barisheff, president and CEO of BMG. “Our adherence to these *criteria have made BMG Funds a viable investment opportunity for those seeking Shariah-compliant investment options, enhanced portfolio and wealth preservation. In addition, BMG BullionFund is now the largest Shariah-compliant fund in Canada.”*

The Islamic Finance Advisory Board is an independent non-profit body engaged in the promotion of Islamic Finance in Canada. It brings the collective expertise of its scholars to providing Shariah-compliant alternatives to conventional financial products.
